ADVANCE SALE OF

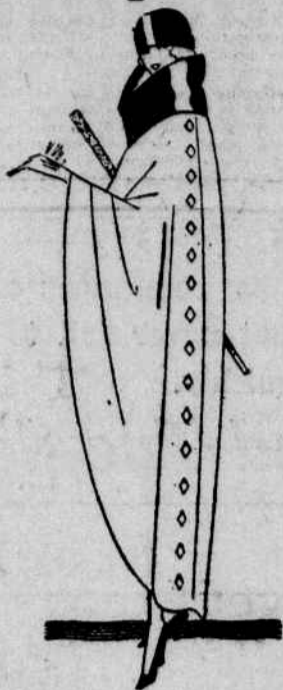

Misses' Fur-Collared Capes

—made to sell for 89.50—
at 69.50

New fashion notes of the approaching Autumn mode are displayed in these lovely capes developed in those deep pile fabrics: panvelaine and arabella cloth.

There is the new, full flare that the Parisienne finds so graceful; there are panel effects that reveal the longer as well as the uneven hem line; and there is the deep, luxurious collar of caracul. They are exquisitely lined with crepe de Chine or brocade crape.
